Community Safety Information and Advice

Who we are

SoSafe is the name given to the Stevenage Community Safety Partnership. Herts Constabulary, Stevenage Borough Council, Herts Fire & Rescue, Stevenage Homes Ltd, Herts Police Authority, NHS, Primary Care Trust, Herts Probation Service and many other partners all work together to make Stevenage a safer place.

We want to know about your community safety issues.

If you have any issues in your local area please let us know by phoning **01438 242242**, emailing **community.safety@stevenage.gov.uk** or visit a Street Meet event to speak to your Safer Neighbourhoods Team.
