The Latest Interactive Careers Information Advice and Guidance for Barnwell School

IN THIS ISSUE:

Careers Interviews for our Year 10 & 11 students

IOSH Working Safely Course - **Congratulations**

Speakers For Schools - Virtual Work Experience

Unifrog's 'Know How' Library

'Icanbea...' - Careers Wizard

'HOP' - Virtual Career Webinars

ASPIRE Higher - University of Hertfordshire

'Want to be a Doctor?' - Virtual Work Experience

Year 10 & 11 1:1 Careers Interviews

All Year 11 students receive a 1:1 careers interview with our YC Herts Careers Advisors. These are scheduled to take place throughout the year.

Should any Year 10 or 11 students wish to discuss anything specific, ahead of the schedule, they should see or email Mrs Knowles in the Upper School Library.

a.knowles@barnwell.herts.sch.uk

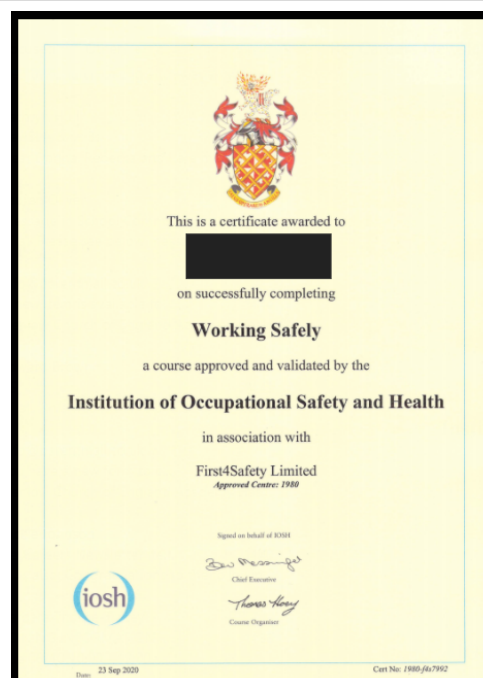

Congratulations!

Congratulations to the following Barnwell students in Year 12 who, as part of our 'Pre-Apprenticeship Programme', have completed and passed their **IOSH, 'Working Safely' course**. We are currently one of only two schools in the country who offer this valuable accreditation to students:

- T.Pritchard
- H. Lawrence
- M.Wilson
- C.Nutall
- E.Brinkley
- C.Jeanes

Interested in a career in the Public Service?

We are pleased to advise that our popular **Careers Webinars** are returning from next week with a new time slot on a Thursday 3:30 – 4:30.

The opening session of the series will focus on careers and opportunities within Public Service and we have panellists representing **The Civil Service** and **Hertfordshire County Council**. With many students being unable to access traditional encounters with employers and employees we hope that these sessions will continue to provide some meaningful opportunities for them to interact with both employers and employees who represent careers and industries that may be of interest to them.

University of
Hertfordshire **UH**

If you would like more information on what University is like, especially in times of Covid, click on the logo above to have a look at the University of Hertfordshire's '**Aspire Higher**' website for lots of virtual information.

Are you interested in applying to university abroad?

unifrog

- If the answer is yes, don't miss these online sessions with top universities from around the world!
- These international universities will give you an introduction to each region and their different university systems.
- You'll learn about the programmes on offer, fees, accommodation, admissions processes, and what it's really like to be a student there.
- You'll also have the opportunity to ask questions

Global Higher Education: Student Seminars

Think you have what it takes to be a Doctor?

Well, now you can actually become the GP. You will take actual patient histories, form diagnoses, order tests & scans and suggest treatment plans.

Our ground-breaking **GP Live** gives students the opportunity to host their own GP surgery, under the guidance of our Mentors.

We have a bank of real medical cases and students will have patients to take patient histories from, and then discuss the assessment with other students and the Doctor.

Unlike other courses that use pre-recorded videos, this course is LIVE and interactive. Students will talk directly to patients and have the full support of the group and our mentors to work through each case.

After each case there is a full breakdown of the medical side as well as looking at communication and the role of a Doctor. Real experience, real medical cases and real insight. Better than shadowing a GP – You are the GP!
