## **Vision and Values**

Our Vision is to create and deliver an outstanding educational experience for every student at Barnwell School. We will achieve this through:

- Valuing every student as an individual, ensuring they realise their potential by providing an aspirational and engaging curriculum.
- Delivering the highest standards of teaching and learning to ensure excellent progress and achievement that inspires all our students.
- Ensuring no matter what the starting point, outstanding progress is achievable by all.
- Supporting student growth and development through our close caring community ethos of respect and tolerance for others and building a sense of belonging.
- Providing a learning environment which is both stimulating, supportive, fosters excellence and independence.
- Inspiring a culture and thirst for lifelong learning based on motivation, challenge, praise, and reward to enable students to achieve their goals in life.
- Building positive partnerships with parents and the local community to widen opportunities and secure high-quality outcomes for all of our students.

By setting high expectations, we expect all students to progress and maximise their potential by seizing the opportunities provided and valuing their education to meet the challenges of our rapidly changing world.

**Our school is built on traditional values where mutual respect is developed between students and staff. 'The Barnwell Way' is the foundation of our school and can be shown by demonstrating our three-character virtues of Respect, Responsibility and Aspiration. We encourage all our staff and students to strive to show these character traits.**

We use Positive Behaviour Strategies to manage our students' behaviour so we can establish high expectations whilst at the same time fostering fantastic relationships with our students, which will in turn help develop their character.

Our approach to behaviour management, nurture, personal development, and character education is Firm, Consistent and Caring.

## **Principles**

Barnwell School has adopted the following set of principles from Hertfordshire's Emotional Wellbeing and Behaviour Strategy. The strategy aims to protect, champion, and safeguard the entitlement of children also recognising that positive emotional wellbeing is an essential prerequisite to effective learning.

- A commitment to a positive and respectful culture within our school or setting.**

It is accepted that a whole school approach focusing on positive emotional wellbeing and behaviour culture requires deliberate creation. Through our strong leadership this is designed and detailed through clear vision and values focusing on realistic social and academic expectations for all

- Behaviour is a form of communication.**

Approaches to behaviour are viewed in a non-judgmental, curious, and empathetic way. In 2014 the Code of Practice of Special Educational Needs (SEN) replaced the term Behaviour and Social Difficulties (BESD) with Social, Emotional, and Mental Health (SEMH), promoting a shift towards a therapeutic approach to behaviour.

- Not all behaviours are a choice**

We recognise that children and young people with poor emotional wellbeing are regarded as vulnerable rather than troublesome. It is accepted that some behaviours can be driven by a communication need, a perceived outcome, or a biological reaction to overwhelming feelings.

- Behaviours can change, and improvement can be secured**

At Barnwell expectations of students' emotional wellbeing and behaviour are high but realistic and grounded in a belief that change can be affected and improvements secured

- Clear boundaries are paired with an individualised graduated response where needed**

A nurturing and structured environment is used to keep CYP safe. A clear well communicated climate for learning policy is used to set standards and create consistency. This policy enables reasonable adjustments for clear well-communicated plans where differentiation from the policy is essential to meet a CYP's needs including educational, mental health and other needs or vulnerabilities.

- Children may develop academically and emotionally at different rates**

It is accepted that there may be a difference between a child's chronological age, their academic achievement, and their emotional literacy. Children achieving well academically may well still require differentiated planning.

- **Children and young people are supported to develop internal discipline/self-regulation and resilience**

A variety of feedback, reward, or consequence systems are used at Barnwell to develop CYP as resilient independent learners with positive emotional wellbeing and behaviour

- **A commitment to equality and equity**

Each child receives resources appropriately differentiated to enable them to access school, learning and social opportunities, equally. The Equalities Act 2010 recognises that some CYP may need additional support to increase positive emotional wellbeing and support behaviour.

- **A commitment to suspension reduction**

Permanent exclusions are used only as a last resort. There is a clearly defined rationale for suspension linked to an understanding of vulnerable groups such as those affected by attachment, adverse childhood experience, trauma, mental health, and protected characteristics such as disability or race.

- **Engagement of families, outside agencies and the wider community is sought when planning support for CYP**

There is proactive engagement with families, outside agencies, and the wider community to promote consistent support for CYP. We believe firmly that parents and carers are key in promoting positive emotional wellbeing. These adults have an informed perspective, and their insights are of value in informing planning and decision-making.

### **Universal Provision**

Universal provision refers to the systems in place to create and support the positive emotional wellbeing and behaviour of all learners. These are the processes and practices seen in every classroom being used consistently across the school.

Our students are children and as such, are still learning how to behave and as adults, we are responsible for teaching them how to do this. Good behaviour can be taught. Managing behaviour in a positive way is much more effective than doing so in a negative way. All adults at Barnwell School are responsible for managing student behaviour. Every adult has the authority to do so and has the full support of the school. All staff must be aware that “The Barnwell Way” is to not ignore poor behaviour and low-level disruption, but to challenge at all opportunities, as not recognising these disrupts unfairly the ability of other students to focus on their learning.

### **All school staff should be a role model and build positive relationships with students by:**

- Learning all students' names and using them
- Reading Student Passports to understand the needs of SEND or disadvantaged students.

- Being kind and caring to students
- Praise, praise, and praise - Regularly award key character trait points.
- Using assertive body language, appropriate phrasing and tone of voice (not shouting)
- Maintain a polite but caring level of professional distance with friendly conversations with all students avoiding slang, popular terms or sarcasm.
- Model politeness and expect it in return.
- Follow - Lessons -The Barnwell Way
- Be consistent in their use of 'Remind then Remove'

## **Reasonable Adjustments**

At Barnwell School, we are committed to promoting an inclusive environment where all pupils are supported to engage positively with school life. We recognise that some pupils may face barriers to behaviour expectations due to special educational needs, disabilities, mental health challenges, or other individual circumstances. In line with the Equality Act 2010, we make reasonable adjustments to our behaviour policy to ensure fairness and equity.

### **Principles**

- Reasonable adjustments are made to remove or reduce disadvantage for pupils with protected characteristics or additional needs.
- Adjustments are tailored to individual circumstances and aim to support pupils in meeting behaviour expectations without compromising the safety and wellbeing of others.
- Staff are trained to understand the impact of neurodiversity, trauma, and mental health on behaviour, and to respond with empathy and consistency.

### **Examples of Reasonable Adjustments**

Adjustments may include, but are not limited to:

- **Flexible start times or modified timetables**
- **Reduced or adapted homework expectations**
- **Use of assistive technology**
- **Personalised behaviour support plans**
- **Regular check-ins with a trusted adult**
- **Access to sensory resources or movement breaks within the classroom**

### **Decision-Making and Review**

- Decisions about reasonable adjustments are made collaboratively, involving the pupil, parents/carers, SENCO, and relevant staff.
- Adjustments are reviewed regularly to ensure they remain appropriate and effective.

- Documentation of adjustments is maintained to ensure transparency and consistency.

### **Safeguarding and Equity**

While reasonable adjustments are essential, they do not mean that expectations for respectful and safe behaviour are removed. The school maintains high standards for all pupils, and adjustments are made to help pupils meet those standards in a way that reflects their individual needs

### **Positive Emotional Wellbeing & Behaviour**

Positive emotional wellbeing and behaviour relates to behaviour which is helpful, values social acceptance and upholds the school or setting's values and visions.

### **Barnwell School rewards system**

Barnwell School prides itself on providing all students with the opportunity to achieve personal academic success. We have recognised that students who realise and surpass their individual academic targets have some key character traits that have facilitated their outstanding learning journey. These traits all revolve around Respect, Responsibility and Aspiration.

We therefore have a culture and expectation that all Barnwell students are given the opportunity to demonstrate Respect, Responsibility and Aspiration. Students are given regular guidance on how to show these key character traits in their learning leading to them exhibiting a positive attitude to learning where they are highly motivated. Students are responsible for their learning and encouraged to work beyond the limits of their ability, behaving in a manner that ensures that outstanding progress takes place.

Rewards must be given fairly and consistently as a means of acknowledging an effort, achievement, or action by all teaching staff. Rewards must never be given as a 'bribery' (rewarding students for doing what should be expected of them normally) as this will undermine school processes and may serve to promote a behaviour that we would not wish to see in our school. There is a clear structure for the issuing and monitoring of rewards for both staff and students.

The main platform we use to drive the system is EduLink One.

Our rewards system will run as follows:

- Achievement points
- Character Day
- Character Fortnight Award

These are awarded for:

- High levels of attendance to school
- High levels of punctuality

- High quality School Representation
- Participating in an assembly
- Volunteering
- Community action
- Continued participation in co-curricular activities
- Demonstrating a key character trait around school
- Exceptional piece of classwork
- Exceptional piece of homework
- High level contribution in lesson
- Progress from data track

## Whole School

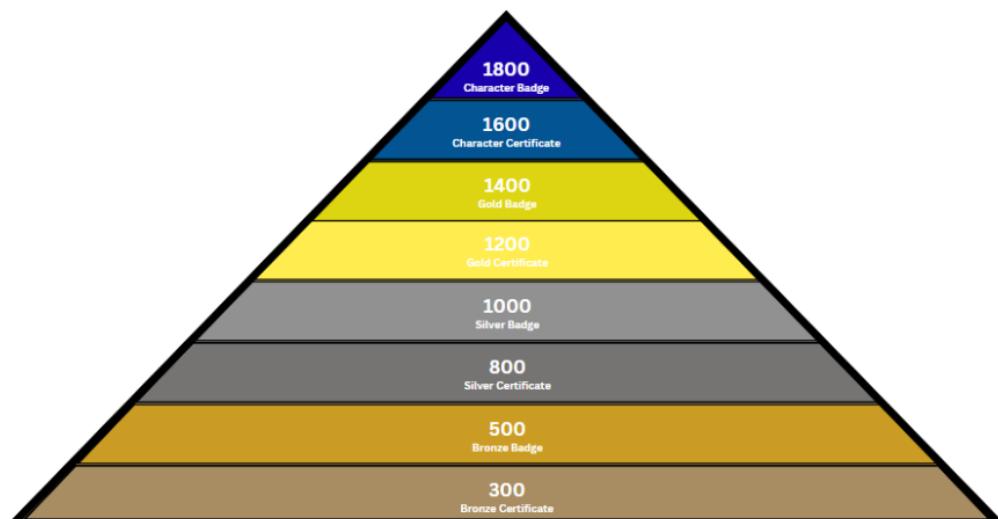

### Points

As a standard part of every lesson, students who meet all expectations in lessons are awarded 1/5 of their 'Character Day' points.

At the end of each day students who have met expectations in all 5 lessons will be awarded with a 'Character Day' (worth 5 points). Students who achieve character days across each fortnight, will also be issued with 'Character Fortnight' (Worth 10 points).

### Pyramid/Mountain Rewards

Students have the opportunity to earn certificates, badges and rewards throughout the academic year based on their overall achievement points. Students can work their way up from the Bronze award to the Character award (see pyramid).

## **Pastoral Curriculum / Assemblies**

Each fortnight, tutor groups will review the progress of colleges/year groups, tutor groups and individual students through pastoral curriculum time. Students will look at their own positions within the whole school and identify what is required to progress. Tutor groups will look at tutor group scores and their rank position and also identify targets for progression for the next term. Termly year group assemblies will look at year and tutor group positions as well as celebrating the achievements of students with prizes and/or certificates being given out to deserving students and tutor groups.

## **Rewarding Progress**

At the return of each data track, students' progress will be rewarded by awarding points for progress to individual students.

## **Termly Rewards Trips**

Each term, a rewards trip is organised to celebrate and congratulate those students who consistently 'get it right'. Invitations are based upon 'Character Days'.

## **Residential Trips**

Selection of residential trips are offered to students. Invitations to these are based upon attendance and behaviour. These trips might include activity trips, international visits, or other residential opportunities.

## **Attendance**

Students' attendance is key to success; this forms a fundamental element of our Emotional wellbeing and behaviour policy. Each fortnight, students' attendance data is monitored and contributes towards their tutor group and year scores.

As part of our continued drive to improve attendance, students are given character points and rewards to acknowledge high levels of attendance.

## **Year 11 Prom**

At the end of each academic year, the Year 11 prom is held to celebrate the successes of the year, mark the end of Year 11 exams and highlight the culmination of the first 5 years at Barnwell. Invitations to the Year 11 Prom are used as a reward strategy and only students who have met a set of 'Character' criteria are invited to attend.

## **Positive emotional wellbeing**

The Barnwell way is to develop a nurturing environment for students through the consideration of these main principles:

1. Children's learning is understood developmentally.
2. The classroom offers a safe space.
3. The importance of nurture for development of wellbeing
4. Language is a vital means of communication.
5. All behaviour is communication.
6. The importance of transition in children's lives

Barnwell staff understand that building positive relationships with students supports their wellbeing.

Students are encouraged to manage their feelings and to talk about emotions. They understand that it is 'Ok to not be ok'.

Staff should use the CPOMs facility to record any concern about the wellbeing of a student.

Staff should follow guidance delivered through safeguarding training in spotting any signs of change in a student and record on CPOMs.

Support networks are advertised to students through the pastoral system. The school has a student support communication area on the website for those students who find talking about their problems difficult.

## **Negative Emotional Wellbeing & Behaviour**

Negative emotional wellbeing and behaviour relates to behaviour that causes harm to an individual, a group, to the community or to the environment, and contradicts the school's values and visions.

When a student behaves inappropriately, the following responses are considered appropriate.

- Restating classroom rules
- Using the 'Remind then Remove' behaviour plan, giving simple choices
- Giving simple directions or reminders
- Tactically ignoring some behaviours (at that moment)
- Positive phrasing
- De-escalation strategies

It is the teacher's responsibility to take steps to re-establish a good working relationship, the following are appropriate.

- Record inappropriate behaviour on EduLink One so that it can be monitored.
- Follow up negative behaviour choices in a non-emotional way.
- Help students to develop a climate of respect.
- Use a 'team approach' to solving discipline problems.
- Liaise with Head of Faculty/Pastoral leads about 'repair and rebuild' opportunities.

If a student is significantly disrupting the teaching and learning of a class or poses a serious risk, then assistance should be sought. Send a reliable student/teaching assistant to

- A colleague in a nearby classroom
- Head of Department/Faculty (if available)

- Use the on-call facility via Edulink One to request SLT support.

### **General Points**

- It is important that we are consistent in our approach – consistent actions create consistent results.
- Whole class consequences should not take place.
- Students should be clear about why consequences are being put in place.
- Students should be taught how to resolve conflicts and staff should be given the opportunity to meet with a student before they return to their class after a serious incident

### **Types of Consequences used to promote a Positive Climate for Learning**

- Discussion/reminder
- Moving student within the classroom
- Following the 'Remind then Remove' Plan
- Loss of break/lunchtime (arrangements must be made for student to get refreshment and use the toilet)
- Removal from lesson by Head of Department or Head of Faculty
- Removal from lesson by Head of Year
- Removal from lesson by Senior Leadership Team
- Lunchtime Detention – Immediate Detention on the same day or following day, depending on when the concern has been issued
- Reports
- Reflection
- Suspension

Systems to support the management of negative behaviour are noted in Appendix 1.

### **PROHIBITED ITEMS**

The following items are not allowed on school site:

- Mobile Phones (must be handed to tutors at the beginning of the day and collected at the end)
- Any music playing device
- Chewing Gum
- Cigarettes / vapes
- Matches / lighters
- Energy or fizzy drinks
- Hooded tops (except for Barnwell hooded tops)
- Zipped Tops
- Sweatshirts
- Baseball Caps
- Permanent Markers
- Correction fluid

- Aerosols / Perfume
- Scissors
- Compasses
- Electric scooters
- Water balloons/Water Pistols
- Replica/Fake weapons
- Other items inappropriate for school

Items that are not permitted in school will be confiscated and handed to reception, without exception. Students can collect at the end of the school day after the first offence. Any confiscation, after this point, will require parental collection. Mobile phones will require collection, by a parent, by 4pm and the student will receive a ½ day reflection the following day.

## **Mobile Phones**

Mobile phones/devices are banned items. If pupils choose to bring their mobile phone to school, it must be turned off and handed in to their form tutor at the start of the day.

If a pupil's phone is seen or heard during the school day it will be confiscated, their parent/carer will need to collect by 4pm and the pupil will receive a ½ day reflection the following day. Moving forwards, students may be subjected to searches using a hand held metal detector.

## **Offensive conduct to other students**

This includes bullying (physical or verbal), including racial, cultural, gender, disability or relating to sexual orientation. Any bullying or harassment will not be tolerated and is always considered serious.

If a student is harassed physically or verbally within the school, they should bring this to the attention of a member of staff so the appropriate action can be taken. Using retaliation to deal with the matter may lead to a consequence for both parties involved.

(Please see separate Child on Child abuse policy)

## **Smoking and Vaping**

Smoking and vaping is not allowed on the school site or in school uniform off-site. Students who are caught smoking/vaping or are part of a group in which people are smoking/vaping will receive the consequence. Even association with smokers, such as standing with another student whilst they smoke or vape will receive a consequence. Sixth Form students may not smoke or vape anywhere on site or within 400 metres of the school boundaries, during school hours. Any confiscated tobacco related products or vapes will only be returned to a parent/carer.

## **Alcohol & drug-related offences**

When a substance is not illegal but thought to be a danger to the individual or others, confiscation will be followed by some form of consequence. In cases where illegal

substances are involved, the Police will be informed. Consuming an illegal substance while under school jurisdiction, or purchasing such a substance, or being under the influence of such a substance are all serious offences.

Any involvement in supply of illegal substances is extremely serious and is likely to lead to permanent exclusion. This would not necessarily be restricted to the sale of drugs to others. Sharing an illegal substance or arranging to sell a substance either off or on the school premises, or intent to supply are also both illegal and of utmost seriousness and may lead to a permanent exclusion.

### **Possession or use of an offensive weapon**

An offensive weapon is anything used as a weapon or to intimidate others. This includes replica items. Items within the category of weapons would include knives and blades of any length, catapults, any items capable of firing a projectile, fireworks and any noxious substances which are inappropriate within the school confines. The weapon will be confiscated, and parents/carers will be invited to collect it or the weapon will be disposed of. The student will be given some form of consequence. This will depend on the:

- degree to which the item was used to cause alarm or harm to others.
- the degree to which the student carrying such a weapon intended to use it to cause harm or alarm to others.
- the potential for the item to cause harm and alarm to others.

Bringing dangerous weapons on to school premises, such as knives and blades, is likely to lead to permanent exclusion. Laser light pens are potentially highly dangerous, even if students have no intent to use them in an offensive way. Possession by students or use on school premises is very serious and will lead to a consequence.

### **Possession of other offensive items**

Possession of pornography, racist or inflammatory literature is forbidden, and the consequence will depend on the degree to which the misconduct would cause real or potential harm. Suspension will apply in aggravated cases where the conduct was repeated.

### **Obstruction of justice**

If serious misconduct has occurred, students are expected to be helpful to staff investigating. Students who wilfully conceal important information will face a consequence. The level of co-operation offered by a student facing an investigation will be taken into account in determining the severity of consequences imposed.

### **Improper conduct**

Sexual activity between students is not appropriate in an educational environment. Where such activity involves coercion, harassment, assault, or duress it will be treated as an issue of utmost seriousness; this may involve Police action and consequences up to and including suspension from school. However, even where contact between students is consenting, consequences may be set where behaviour goes beyond what the school views as normal affectionate behaviour for that age.

## **Dangerous / Unsafe Behaviour or Circumstances**

Generally dangerous or unsafe describes behaviour or circumstances which will predictably result in imminent injury or serious harm. This includes harm to self or others, damage to property or behaviour that would be considered criminal if the person was the age of criminal responsibility, such as racist abuse.

The priority of the staff is to ensure the physical, mental and emotional wellbeing of all students is safeguarded.

In the case of racial/xenophobic/homophobic/transgender/sexual abuse the incidents will be logged on CPOMs. Appropriate outside agencies will be notified, preventative and learning consequences applied, parents/carers notified.

A safety and support plan should be completed by the relevant member of the pastoral team to lower risk of future incidents.

In incidents of a dangerous physical nature the following guidelines should be noted and followed.

### **What is reasonable force?**

The term 'reasonable force' covers the broad range of actions that can be used by teachers that involve a degree of physical contact with students. Force is usually used either to control or restrain. This can range from:

- Guiding a student to safety by the arm through to more extreme circumstances such as breaking up a fight or where a student needs to be restrained to prevent violence or injury.
- 'Reasonable in the circumstances' means using no more force than is needed
- As mentioned above, schools generally use force to control students and to restrain them.
- Control means either passive physical contact, such as standing between students or blocking a student's path, or active physical contact such as leading a student by the arm out of a classroom.
- Restraint means to hold back physically or to bring a student under control. It is typically used in more extreme circumstances, for example when two students are fighting and refuse to separate without physical intervention.
- School staff should always try to avoid acting in a way that might cause injury, but in extreme cases it may not always be possible to avoid injuring the student.

### **Who can use reasonable force?**

All members of school staff have a legal power to use reasonable force. This power applies to any member of staff at the school. It can also apply to people whom the Headteacher has temporarily put in charge of students such as unpaid volunteers or parents accompanying students on a school organised visit.

### **When can reasonable force be used?**

Reasonable force can be used to prevent students from hurting themselves or others, from damaging property, or from causing disorder.

- In a school, force is used for two main purposes – to control students or to restrain them.
- The decision on whether to physically intervene is down to the professional judgement of the staff member concerned and should always depend on the individual circumstances.
- The following list is not exhaustive but provides some examples of situations where reasonable force can and cannot be used.

Schools can use reasonable force to:

- prevent a student behaving in a way that disrupts a school event or a school trip or visit.
- prevent a student leaving or entering the classroom where allowing the student to do so would risk their safety or lead to behaviour that disrupts the behaviour of others
- prevent a student from attacking a member of staff or another student, or to stop a fight; and restrain a student at risk of harming themselves through physical outbursts.

Schools cannot:

- use force as a punishment – it is always unlawful to use force as a punishment.

Communicating the school's approach to the use of force

- As legally required, this Policy is made known to staff, parents/carers and students
- Barnwell School acknowledges the legal duty of members of staff to make reasonable adjustments for disabled children and children with SEND.
- Barnwell School does not require parental consent to use force on a student.
- Barnwell School does not have a 'no contact' policy as there is a real risk that such a policy might place a member of staff in breach of their duty of care towards a student or prevent them taking action needed to prevent a student causing harm.
- By taking steps to ensure that staff, students and parents/carers are clear about when force might be used, we hope the school will reduce the likelihood of complaints being made when force has been used properly.

### **Telling parents when force has been used on their child.**

Parents will be informed about serious incidents involving the use of force. All incidents of the use of force will be recorded on CPOMs. In deciding what a serious incident is, teachers should use their professional judgement and consider the following:

- the student's behaviour and level of risk presented at the time of the incident.
- the degree of force used.
- the effect on the student or member of staff
- the child's age.
- whether account needs to be taken of a disability or SEN

### **What happens if a student complains when force is used on them?**

All complaints about the use of force will be thoroughly, speedily and appropriately investigated by the member of staff delegated by the Headteacher. Where a member of staff has acted within the law – that is, they have used reasonable force in order to prevent injury, damage to property or disorder – this will provide a defence to any criminal prosecution or other civil or public law action. Suspension must not be an automatic response when a member of staff has been accused of using excessive force. Where an allegation of using excessive force is made against a teacher, the Headteacher would seek advice from the Local Authority and an investigation would be carried out.

### **Unforeseeable Behaviour or Circumstances**

Unforeseeable behaviour or circumstances are not covered by policy, never previously experienced or are so historic that they were not believed to reoccur.

The priority in all such incidents is to ensure that physical, emotional, and mental wellbeing is safeguarded.

Where reasonable force by school staff is not appropriate and there is risk of physical injury the police and ambulance service should be contacted.

Members of staff should not be left alone during the incident.

Where possible the vicinity of the incident should be cleared of staff and students who are not involved.

Where there is a threat to multiple members of the school community school evacuation procedures should be followed.

Following the incident all staff/ students involved should be debriefed and their wellbeing checked. If necessary outside agencies should be involved if further therapeutic support is required.

A risk assessment should be made, and a plan put in place in the event of the incident ever reoccurring.

## **Support from External Agencies**

Where appropriate the school will use a range of external support interventions to support the emotional wellbeing and behaviour of students.

A non-exhaustive list is as follows:

- Education Support Centre
- Attendance Improvement Officer
- Student Support Worker
- Counselling services
- Educational Psychologist
- The Police – School Liaison Officer
- The Police – Community Police Officer

Working with parents and carers we may also seek input or advice from:

- Family doctor
- Child and Family Centre
- Social Services
- Family Support Worker

Under the guidance of SLT, pastoral members or SENCo will refer to the relevant agency.

## **Communication and Recording within School**

EDULINK ONE is the platform where all staff will record achievement points and add concerns.

Concerns regarding the wellbeing of a student should be recorded on CPOMs.

Information recorded should always be worded in professional language with accurate, factual detail.

Staff should also apply this to any report form that is completed.

All communications with parents or carers should be recorded on CPOMS.

All referrals to outside agencies should be uploaded to CPOMs.

## **Suspensions**

Suspensions are a last resort. The Barnwell way is to seek to eliminate the use of these by making suspension unnecessary rather than by simply refusing to use them. When they are required as a last resort, they are used as a protective consequence and/or to reset the school support plan for that student.

In keeping with DfE guidelines the school operates two types of exclusions:

- Suspension
- Permanent exclusion

In most cases suspension will be the last resort after a range of measures have been tried to improve the student's behaviour. We follow DfE and LA guidelines on suspensions and the final decision to suspend can only be made by the Executive Headteacher / Headteacher or nominated member of the Senior Leadership Team in the Headteacher's absence. When deciding to suspend a student the Headteacher will ensure there has been a thorough investigation and that a record is kept of their actions and those of other staff. The mitigating and aggravating circumstances of the situation or incident will be carefully considered. A student cannot be suspended pending an investigation into an incident - they will be isolated within school.

In addition, the length of the suspension will be decided by the Headteacher with reference to:

- whether the student belongs to any vulnerable group
- Mental health of the student is given reasonable weight in any decision
- the age of the student
- the disciplinary record, including the primary or previous school record, if appropriate
- the nature of the offence
- the home backgrounds.
- exam obligations

When a student is suspended, the school will:

- notify parents/carers of their responsibility to ensure that their child is not present in a public place in school hours during the first five days of any suspension.
- undertake to set and mark work for that student for the first five days of the exclusion.
- provide full-time education (off-site or in a shared provision) from the sixth day of any period of fixed term exclusion of six days or longer.
- advise any consequences that may be imposed for non-attendance of the provision for the sixth day onwards.

- consider how the time out of school might be used to address the student's problems; and consider what support will best help with the student's reintegration into the school at the end of the suspension.

The parents or carers of a student who is suspended for a single or cumulative period of 6-15 days in any one term can request a meeting with the Governors to review the suspension. The Governors will meet within 50 days and will decide whether to uphold the suspension. If a student is suspended for more than 15 days in a term the governors will always meet within 15 days to review the exclusion. After a suspension a student should attend a re-admission meeting with their parents and a member of the Pastoral Team. The terms of re-admission are discussed and agreed at such meetings and provision for continued support for the student arranged at this time.

Permanent exclusion will usually be considered as a 'last resort' action. This is in response to a serious breach or persistent breaches of the school's behaviour policy, where allowing the pupil to remain in school would harm the education or welfare of the pupil or others such as staff or pupils in the school

One off incident may include (but are not limited to):

- actual or threatened violence against a member of staff.
- theft from the school, a student, or a member of staff
- serious actual violence against another student
- sexual abuse or assault
- supplying or intent to supply an illegal drug or possession of an illegal drug in school on more than one occasion.
- carrying an offensive weapon with intent to cause harm.
- making malicious allegations against a member of staff

These instances do not constitute an exhaustive list but indicate the seriousness of an offence for which the Headteacher may, in their judgement, impose a permanent exclusion for a first or "one-off" offence.

In considering whether permanent exclusion is the most appropriate consequence, the Headteacher will consider a) the gravity of the incident, or series of incidents, and whether it constitutes a serious breach of the School's Policy and b) the effect that the student remaining in the school would have on the education, welfare and safety of other students and staff. Repeated persistent offences could ultimately lead to permanent exclusion

In line with its statutory duty, the Governors' Student Discipline Committee, when it meets to consider the Headteacher's decision to exclude would require the Headteacher to explain the reasons for the decision and will look at the appropriate evidence.

## **Searching and Confiscation**

The schools' common law powers to search:

### **When can a search be undertaken?**

- If you have reasonable grounds for suspecting that a pupil is in possession of a prohibited item.

### **Searching with consent**

School staff can search pupils with their consent for any item. The use of a hand held metal detector wand may be used to support in the search for prohibited items.

You must be the same sex as the pupil being searched; and there must be a witness (also a staff member) and, if possible, they should be the same sex as the pupil being searched.

Search records will be completed for all searches and uploaded to CPOMS

### **Searching without consent**

What can be searched for?

- Knives or weapons, alcohol, illegal drugs and stolen items
- Tobacco and cigarette papers, vapes, fireworks and pornographic images
- Any article that the member of staff reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury, or damage to property.
- Any item banned by the school rules which has been identified in the rules as an item which may be searched for.

### **During the search**

#### **Extent of the search**

- The person conducting the search may not require the pupil to remove any clothing other than outer clothing.
- 'Outer clothing' means clothing that is not worn next to the skin or immediately over a garment that is being worn as underwear but 'outer clothing' includes hats; shoes; boots; gloves and scarves.
- 'Possessions' means any goods over which the pupil has or appears to have control – this includes desks, lockers and bags.
- A pupil's possessions can only be searched in the presence of the pupil and another member of staff, except where there is a risk that serious harm will be caused to a person if the search is not conducted immediately and where it is not reasonably practicable to summon another member of staff.

### **Confiscated items**

A person carrying out a search can seize anything they have reasonable grounds for suspecting is a prohibited item or is evidence in relation to an offence.

All confiscated items must be handed to a member of SLT.

## Notes

- Schools' general power to discipline, as circumscribed by Section 91 of the Education and Inspections Act 2006, enables a member of staff to confiscate, retain or dispose of a pupil's property as a disciplinary penalty, where reasonable to do so.
- The member of staff can use their discretion to confiscate, retain and/or destroy any item found because of a 'with consent' search so long as it is reasonable in the circumstances. Where any article is reasonably suspected to be an offensive weapon, it must be passed to the police.
- Staff have a defence to any complaint or other action brought against them. The law protects members of staff from liability in any proceedings brought against them for any loss of, or damage to, any item they have confiscated, provided they acted lawfully.
- Schools are not required to inform parents before a search takes place nor are they required to seek parental consent to search their child. However, parents should always be informed that a search has taken place. Please ensure a record of this parental conversation is made on CPOMS as a contact with parent/carer, ideally this will be added as an action to the student search. Search record paperwork should also be uploaded to CPOMS on the same incident log.
- Complaints about screening or searching should be dealt with through the normal school complaints procedure.

Examples of illegal or potentially harmful items include (but are not limited to):

- Knives
- Multi tool
- Replica/fake/toy weapons
- items that the school believe may be used as a weapon
- alcohol
- illegal drugs
- legal highs
- suspected stolen items

## Anti – Social Behaviour

Students are expected to identify the perpetrators of anti-social behaviour so that the school can deal with issues effectively.

## **The Police**

It will be for the Headteacher or a member of the Senior Leadership Team to decide whether the Police should be involved in any given incident. The Police have the right to enter the school and intervene in cases where they believe an individual may be carrying a weapon. Parents will be informed immediately if a decision is taken to contact the Police. The possession of illegal substances on the school premises will always lead to the involvement of the Police.

The school will follow the guidance of Home Office Circular 98178 on 'Interrogation and Taking Statements'. Thus, it will be normal practice for Police interviews to take place at school only in the presence of parents or carers. If parents cannot be contacted, the interview will take place with the Headteacher or a member of the Senior Leadership Team.

Staff should not obstruct the Police in the course of their duty. The Police have the right to enter the site without permission of the Headteacher but should only exercise this right in exceptional circumstances.

## **When to call the Police**

- once a 'prima facie' case has been established, school led interviews and investigations should stop and the Police should be called.
- accurate records of interviews and admissions should be kept as a member of staff could be called as a witness
- once a criminal investigation is under way school investigations and/or interviews MUST stop
- Offences where the Police may be called include theft, harassment (bullying), assault, damage, drugs and offensive weapons.

Any illegal or potentially harmful items will be passed to the Police or the Police Community Support Officer.

With regard to stolen items of low value such as pencil cases, it may not be reasonable to involve the Police or pass items on to them. However, the school may deem it appropriate to contact the Police regarding any theft.

## **Appendix 1 -Behaviour Management Systems**

### **Remind then remove**

The ‘Remind then Remove’ Plan is used to manage behaviour within all learning spaces, this approach ensures consistency across the school when undesirable behaviour is displayed. The system is clear and easy to follow for both staff and students and has a tiered consequence process at each step.

Students are expected to attend the remind then remove room when requested by their teacher. If a student refuses to leave the lesson or fails to attend the remind then remove room, they will be supervised by a member of the leadership team for the remainder of the day.

Students are expected to complete the work provided to them. Students will be provided with English, Maths or Science work to complete when sent to the Remind then remove room.

### **The 2 Step Behaviour Plan (Appendix 1)**

<b>Step 1 – Remind</b>	Verbal Reminder & Removal of Character Card
<b>Step 2 – Remove</b>	Student is removed and placed in the removal room for the remainder of the lesson
Students removed from 3 lessons in the same day will be placed in reflection the following day (Year 10- Current trial of 2 removals in a day results in a reflection the following day). Any further incidents will result in the student being supervised by a leadership member of staff for the remainder of the day.	

## Behaviour categories / consequences

<b><u>Respect (Rt)</u></b>	<b><u>Responsibility (Ry)</u></b>
<ul style="list-style-type: none"><li>• Aggressive Behaviour</li><li>• Bringing the school into disrepute</li><li>• Damage to property</li><li>• Defaced Character Card</li><li>• Defiance</li><li>• Discriminatory Comments</li><li>• Dishonesty</li><li>• Eating in class</li><li>• Fire Alarm Conduct</li><li>• Graffiti</li><li>• Harmful Sexual Behaviours</li><li>• Health and Safety</li><li>• Inappropriate Language</li><li>• Inappropriate Response</li><li>• Left lesson without permission</li><li>• Littering</li><li>• Making a false allegation against a member of staff</li><li>• Not following instructions</li><li>• Out of seat</li><li>• Physical assault</li><li>• Reminder in lesson</li><li>• Setting Fire Alarm</li><li>• Swearing directly at a member of staff</li><li>• Swearing out loud</li><li>• Talking out of turn</li><li>• Theft</li><li>• Throwing water</li><li>• Verbal Abuse</li><li>• Verbal conflict</li></ul>	<ul style="list-style-type: none"><li>• Bullying</li><li>• Corridor Conduct</li><li>• Equipment</li><li>• Exam Conduct</li><li>• First Aid visit</li><li>• Homework Non-Completion</li><li>• Homework Quality</li><li>• Inadequate Work</li><li>• Inappropriate ICT Use</li><li>• Lateness to Lesson</li><li>• Lateness to school</li><li>• Lost Character Card</li><li>• Missed detention</li><li>• Missed Gate</li><li>• Missed lunchtime detention</li><li>• Mobile phone</li><li>• Not met expectations in reflection</li><li>• Out of bounds</li><li>• Overdue Book</li><li>• PE Kit- Missing Parts</li><li>• PE Kit</li><li>• Removal from lessons</li><li>• Substance association</li><li>• Substance Misuse</li><li>• Toilet use during a lesson</li><li>• Truancy</li><li>• Uniform</li><li>• Weapon Possession</li><li>• Weapon Use</li></ul>

Respect or Responsibility concern	Staff Involved
<ul style="list-style-type: none"> <li>Concern entered on EduLink One</li> <li>Pastoral Support contact parents/carers</li> <li>On Call</li> <li>Refusal to attend detention - 1hr extended detention on a Monday or Tuesday</li> <li>Failure to attend extended detention- Reflection</li> </ul>	Classroom teacher Pastoral Support Head of Year SLT

## Detentions

- Respect / responsibility concerns are held at lunchtime. Any concern entered on the system before the end of Period 3 lessons will be issued for the same day. Any concerns issued after the start of period 4 will be processed as a lunchtime detention the following day. Students will be provided with an opportunity to collect their lunch once they have completed their detention
- Homework and inadequate homework detentions are for up to 1 hour after school and take place the day after the concern is issued. Parents/carers are informed via a message on EduLink/School Comms.
- Extended detentions are held on Monday and Tuesday after school from 3.00- 4.00pm.

CONCERN	LENGTH OF DETENTION
Responsibility	Lunchtime detention (25 minutes)
Inadequate Work/Homework	Maximum of 60 minutes or when work is completed
Respect	Lunchtime detention (25 minutes)

- Students can be kept on the same night for up to 10 minutes without prior notice.
- All detentions must be recorded on EduLink One
- We do not allow whole class detentions
- Extended detentions are for up to 1 hour after school, usually on a Monday. Should a student need to sit an extended detention parents/carers will be contacted by the most relevant member of staff.

## **Truancy from lessons**

Punctuality is essential for students to fully engage with all aspects of the lesson, including the DNA activity. Missed learning time negatively affects academic progress. Therefore, it is equally important to implement appropriate consequences to discourage lateness and minimise disruption to teaching and learning.

- If a student is up to 5 minutes late to a lesson, staff will log a 'Lateness to lesson' concern and the student will remain in the lesson. The student will be issued with a lunchtime detention.
- If a student arrives to lesson over 5 minutes late, staff will log a 'truancy' concern and the student will remain in the lesson. The student will be issued with an extended detention
- If a student receive 3 'lateness to lesson' or 'truancy' concerns in a day, they will be placed in reflection the following day.

## **Reflection Room**

Students may be withdrawn from lessons and placed in the reflection room. The timings of the reflection room at 9:00am – 12:30pm, students will sign in and out via reception. Parents/carers are expected to source appropriate supervision of their child outside of these times. Students will be provided with an opportunity to purchase food and visit the toilet midway through their reflection period, students are able to access their FSM allowance during this time.

Some examples of behaviour which may lead to an internal reflection are:

- Consistently disrupting teaching and learning
- 3 x removal from lesson in a day
- 3 x truancy/lateness to lessons in a day
- Behaviour which contravenes the schools Emotional Well Being Policy
- Rudeness towards a member of staff
- Failure to attend an extended detention
- Refusal to accept the code of conduct
- Persistent bullying
- Smoking
- Refusal to wear correct school uniform
- Damage to property
- Defiance
- Verbal abuse
- Weapon possession /use
- Discriminatory behaviour
- Aggressive behaviour
- Setting off the fire alarm
- Substance misuse and association

- Health and safety
- Theft
- Mobile phone (1/2 day)

Students placed in reflection will:

- Be supervised
- Complete the work provided for them

Parents/carers may also be called into school to discuss the incident and the way forward.

The context of the incident leading to students being placed in reflection will be reflected in the length of time a student spends away from the classroom. Any child who refuses to attend their reflection will be issued with a suspension as will a series of reflections. If students are issued with a suspension for refusal to complete the reflection, they will still be expected to complete the reflection on their return. Students and parents/carers will always be informed when this is the case. All incidents are logged in EduLink One and in more serious cases on the students' file.

### **Remind then remove room**

If a student is reminded then removed from a lesson, they will be expected to take themselves to the Remind then remove room. Once removed from a lesson, students will be expected to:

- Report directly to the Remind then remove room
- Sit in the seat allocated by the supervising member of staff
- Complete the work provided
- Remain in silence while avoiding any form of communication with other students

Should a student refuse to leave the classroom when requested or fail to report directly to the Remind then remove room, 'On Call' will be contacted to remove the student before they will remain with a senior member of staff for the remainder of the day.

Should a student cause disruption while in the reflection room, they will be removed and supervised by a senior member of staff.

### **Persistent Disruption / Refusal to accept the authority of the school**

As a school, we have implemented a tiered response system to address persistent disruption and defiance of school authority. While we remain committed to reducing suspension rates, we also uphold our high expectations for student behaviour. Each stage of the system offers students the opportunity to reflect on their actions and review the support available to them. It is important to note that students may not always progress through each stage sequentially; in some cases, a higher-level consequence may be more appropriate based on the severity of the behaviour

- Stage 1- 1 day reflection: Contact home by Pastoral Support
- Stage 2- 2 days reflection: Contact home by Pastoral Manager (Explanation of IBP process)
- Stage 3- 3 days reflection: Meeting with Pastoral Manager and HOY (IBP set up)
- Stage 4- 4 days reflection: Meeting with Pastoral Manager and HOY (Review of IBP, Discussion regarding off site direction on next reflection period)
- Stage 5- 5 days reflection: Meeting with HOY and Key Stage Behaviour Lead (Offsite direction for 1 of 5 days)
- Stage 6- 1 day suspension: Meeting with HOY and Key Stage Behaviour Lead (Explanation of PSP process)
- Stage 7- 2 day suspension: Key Stage Behaviour Lead and Assistant Headteacher, Behaviour (PSP Set Up)
- Stage 8- 3 day suspension: Key Stage Behaviour Lead and Assistant Headteacher, Behaviour (PSP review)
- Stage 9- 4 day suspension: Assistant Headteacher, Behaviour and Deputy Headteacher (Alternative Provision exploration)
- Stage 10- 5 day suspension: Assistant Headteacher, Behaviour and Headteacher

## Reports

Reports should be seen mainly to give students the opportunity to make a positive change and receive appropriate feedback. Students whose work, attitude, attendance, punctuality, or behaviour is giving continued or serious cause for concern may be put on report. No students will be placed on report without communication with parents/carers. Students will have targets to achieve. Teachers and parents/carers will be able to monitor what they do. Students will be provided with a report card which also acts as their character card.

### All Reports must

- Be daily character report cards
- The report type must be recorded on the report card
- Clearly state the targets for students to work towards. These must be achievable
- Be placed on the student desk at the beginning of every lesson as these also act as character cards
- Be completed by the teacher at the end of the lesson
- Be signed by appropriate member of staff at the end of the day

- Students can self-tick their character section of the report card and teachers will continue to use this section to record reminders along with respect and responsibility concerns.
- Be given to the appropriate member of staff at the end of the report phase for filing

## **Reporting system**

### **Form Tutor Report – 2-week report monitored by form tutor**

- Contact with home, recorded on CPOMS
- Weekly contact with parent/carer from form tutor to discuss progress

### **Pastoral Support Report – 4-week report with midpoint review monitored by Pastoral Support**

- Meeting with Parents
- Weekly contact with parent/carer from Pastoral Manager or Pastoral Support to discuss progress

### **Pastoral Manager Report – 8-week monitored with midpoint review by Pastoral Manager**

- Meeting with parents to set up report
- Discussion about support
- Weekly contact with parent/carer from Head of Year to discuss progress
- Review meeting with HOY in week 4

### **Individual Behaviour Plan (IBP) – 12 week monitored with midpoint review by Head of Year**

- Meeting with parents to set up report
- Review of support and interventions
- Weekly contact with parent/carer from Head of Year / Key Stage Pastoral Lead to discuss progress
- Review meeting with Head of Year / Key Stage Pastoral Lead in week 6

## **Pastoral Support Plan (PSP)**

A Pastoral Support Plan meeting should be organised for any student who has worked their way up the reporting system without making appropriate changes. The aim of such a meeting is to ensure that all appropriate professionals are involved in providing support for the student. When the behaviour of a student is identified as a serious concern, the Head of Year in consultation with the Senior Leadership Team for behaviour will organise a meeting. Those invited should include the student, parents/carers, Head of Year, Senior Leadership Team member responsible for behaviour, SENCO and a variety of agencies. If appropriate a representative from Health or the Youth Justice Team may be invited.

The Pastoral Support Plan is intended to run for 16 weeks with a mid-term review after 8 weeks. PSPs identify precise and realistic targets for the student to work towards. A nominated member of staff will oversee the PSP. However, any member of the Senior Leadership Team may oversee a students' PSP.

The following will always apply:

- Students will be encouraged to set their own targets and sign the PSP
- Parents/carers will be involved, and will be asked to sign the PSP
- The nominated member of staff will sign the PSP
- PSPs will identify rewards and consequences
- PSPs are reviewed half-way through their set time

If at the time of review (usually after 8 weeks or at the end of a 16-week period) it is felt that the student is no longer giving cause for concern, then the student will be stepped down to a HOY report. If, however, at the time for review it is felt that extra support is needed then the student will remain on a PSP with an exploration of alternative interventions.
