

SIXTH FORM INDUCTION WEEK  
MONDAY 2<sup>nd</sup> - THURSDAY 5<sup>th</sup> JULY 2017  
SUMMER TASK - DRAMA & THEATRE STUDIES

**Drama and Theatre Studies Summer Task**

**Extended Learning task:**

You will need to watch a live theatre performance. Ideally, this would be a play rather than a musical. The performance could be amateur or professional.

After the performance you will need to write a 500-word review of the production.

Consider:

- Sound
- Lighting
- Staging/Set Design
- Costume
- Performance Style (naturalistic/abstract)
- Performance skills (Vocal and Physical)

You should consider how these production elements impacted on you as an audience member. Try to make the review as personal as you can, using specific moments from the performance to justify your thoughts.

**SUBMISSION DATE – THURSDAY 6<sup>TH</sup> SEPTEMBER 2018**
