My Journey so far...

Life is a journey! Think back through primary school , maybe even before that and write down your favourite memories or events that have shaped you to become the amazing person you are!

Kid Average or Kid AWESOME?

Kid average is someone who:

- tries a bit
- thinks everyone else is talented
- might not always stay focused
- is scared of taking risks
- is worried about looking silly
- doesn't answer questions in class
- thinks they will be okay, until it is too late.

Kid awesome is someone who:

- tries hard
- puts time into learning things
- is dedicated to what they want to achieve
- is focused
- doesn't give up easily
- asks for help
- overcomes fears
- tries new things.

Sometimes we are worried about failing or messing it up. That is what stops us being 'kid awesome'. Being awesome takes perseverance.

What might be holding you back?

Worried you can't do things

Feeling embarrassed

You find it hard to focus

Scared of hard work

Feeling stressed or anxious

Fear of looking foolish

Scared of taking risks

What else?

Remember: don't give up – ever!
BE BRAVE

Hopes, Dreams and the Future...

What are your hopes and dreams for your time at Barnwell?

You will be with us from when you're 11 to maybe 16 or 18 years old. A lot will change in that time.

- What do you hope you will achieve?
- What kind of person do you hope you will become?
- What do you hope people will say about you?

Fill in the person outline with all the things that you can do to achieve your hopes and dreams

Give **EVERYTHING** your best shot!

Which Lab do you have Science in?

Which room does Mrs Casey teach you in?

What subject does Ms Thyne teach you for?

Who teaches you English?

Who is your Form Tutor?

Getting to Barnwell...

Getting to Barnwell safely is just as important as being there. Draw up your route to school on the map below (whether that's walking, cycling, driving or by bus). Identify spots where there could be hazards (e.g. busy roads) and explain how you will manage this safely!

If your house isn't on this map, which direction will you come in from and how will you get to Barnwell from there?

Year 7 and beyond...

Towards the end of year 8, you will get a little bit of choice about some subjects you can study in a bit more depth. During Year 9 you will need to start thinking about which subjects you want to study to GCSE. After GCSE the choices are even wider, 6th Form, College, Apprenticeships and then University?

Some people already know what they want to do as a career, lots of people don't.

Have you got a dream job?

If you have got some ideas, it is good to start looking at the types of qualifications you need for your dream job and the types of skills and attributes you will need. Why is this the job for you?
