

SIXTH FORM INDUCTION WEEK MONDAY 2nd – THURSDAY 5th JULY 2018 SUMMER TASK - LAW 'A' LEVEL

AN INTRODUCTION TO 'A' LEVEL LAW

1. Write out a definition of what YOU think the following 4 words mean, then look up the formal definition for each and note that down too. Was your definition similar?

- Law
- Morality
- Justice
- Fault

2. Research the differences between criminal and civil law. Produce a table summarising the following:

- The purpose of the law
- Person starting the case
- The courts that will deal with the case
- The person that will make the final decision
- The possible outcome
- The powers of the court.

3. Complete some research in order to produce a short report on the work of:

- The Magistrates Court
- The Crown Court
- The Court of Appeal
- The High Court
- The County Court

Your report should include the type of cases they deal with, the powers of each court and the type of judges that work in them. I recommend you visit <https://www.judiciary.uk/> and use this excellent resource to help you. If you come across any legal terms that you do not understand, take the time to research their meaning.
