If you have disagreed with any of the statements in the questionnaire could you please elaborate in order to help us further improve our practice.

- My child doesn't know anything about GCSE pod
- I think there is not enough information about my child's progress. Also, not enough info received through social media. On the other hand there is too much information in the bulletin emails.
- My child is yet to log into GCSE pod
- GCSEpod didn't help with my child's revision
- We feel our child needs to work harder which we plan to support him to do this
- Would like more information on GCSEpod
- I know little about SMHW
- We have had some behavioural issues and did not get a response to a concern raised
- I couldn't find info on the website, but I think it was the changeover
- SMHW could be utilised further with grades for homework and test results. Would also prefer detention emails to state which class it was given in
- I don't think Social media is used to its full potential
- I'm not in the habit of using SMHW and never have been
- Can we have a seating map with our parents evening timetable?
