- Standard of teaching, much better consistency, very happy with my daughter’s progress.
- Response to problems is excellent, as is the communication. My son enjoys his lessons and finds his teachers approachable which is great.
- The support and help offered to my son
- How teachers handle problems
- The support and care
- Staff communication has been fab!
- The Openness of the staff to talk to my son and myself about anything

If you have disagreed with any of the statements in the questionnaire could you please elaborate in order to help us further improve our practice.

- Disagreed with the new Barnwell School website as we have not visited it.
- I have not been provided with the Log on details for this.
- SMHW – We don’t feel it gives enough feedback if a red result is given. It causes stress and feedback is not regular.
