

POST 16 BULLETIN (7)

Week Beginning 10th December 2018

Christmas Jumper Day – Friday 14th December

On Friday we will be supporting 'Save the Children' by wearing our Christmas jumpers for the day - £1.00 donation.

Wearing Jumpers To
Change Lives

• You can make a jumper yourself, buy one, or re-wear last years, either way we don't mind!
• Get involved on Friday 14th December to make a difference to children's lives this Christmas.

What Can Your Donation Do?

£1	Helps 16 children to recover from diarrhoea through simple rehydration salts.
£2	Helps pay for antibiotics for five suffering children from pneumonia, one of the biggest killers of children.
£5	Pays for educational toys to help a child in the UK learn through playing.
£10	Provide a day's worth of water for a displaced family in Yemen.
£20	Provides an emergency response kit including food or hygiene items for a family in Iraq.

Twitter – we have re-launched our sixth form Twitter Account ([@Barnwell6thForm](https://twitter.com/Barnwell6thForm)), please do follow us for regular updates and information regarding UCAS, apprenticeship and employment opportunities.

Year 13 Data Track 2 – Staff are currently uploading data and mock examination results. We are hopeful that the data tracks will be issued prior to the Christmas break.

APP Residential – Social Mobility Foundation

Overview

Applications for our 2019 programme are now open!

What?

Students who live more than an hour away from an APP city (London) are prioritised for APP Residential.

APP Residential supports high achieving students across the UK from Year 12, into competitive universities, and the top professions. We offer support through our four pillars:

1. Mentoring by a professional via email
2. Tailored skills sessions and career workshops
3. University application support and guidance
4. Internships with top employers

APP Residential offers the opportunity to undertake a one or two week internship with a top employer in London with all expenses paid. Whilst on a residential and in addition to the placement, students receive skill sessions and university application support. A professional mentor will be from the employer you undertake your placement with. Students also participate in evening and weekend activities.

It doesn't matter where you're from in the UK, as long as you fit our [eligibility criteria](#), you can apply to APP Residential.

Sectors

Depending on your interests, you can apply to one APP residential from the following (click on the links to find out more):

- For aspiring [engineers](#): [APP JACOBS Residential](#)
- For students interested in [banking](#), finance and digital professions: [APP J.P.](#)

[Morgan Residential](#)

- For aspiring [accountants](#): [APP KPMG Residential](#)
- For aspiring [solicitors and barristers](#): [APP Law Residential](#)
- For aspiring [medics](#): [APP Medicine Residential](#)*

Why?

Often, major firms and opportunities are situated within London, putting those in the rest of the UK at a disadvantage.

Our residential programmes are specifically designed to support hard working students living outside of the reach of these opportunities to come to London to gain valuable work experience and to improve their soft skills.

Here at the SMF we are proud that the majority of our students go on to the top universities in the UK and undertake experiences and opportunities with us that help them gain employment in prestigious organisations.
