

Post Results Information Summer 2026 - GCSEs.

Statement of Results

On results day you will have been given a Statement of Results. Please keep this safe; you will need this when enrolling with college, sixth form, apprenticeships etc.

Grade Boundaries

All exam boards set grade boundaries. Grade boundaries are the minimum marks needed to achieve a certain grade. They are set after the exams have taken place and all the marking is complete. Grade boundaries can be found on the exam board websites, and you can find a link to each of them on our website.

Post Results Services

Access to Scripts (ATS)?

One or more of your teachers may ask if they can request a copy of your scripts to gain information about the marking and standards of the examination. We can only do this with your permission, and we would request that you complete an access to scripts form which we will provide.

Candidates can request access to their own scripts for general interest or to inform future learning, for example for re-sitting examinations. An Access to Scripts consent form must be signed and dated by the candidate, or the candidate can email the exams officer to request this. **Please note this request MUST come from the candidate and not a parent or carer.** You can find the form on our website under Students / Examination Information.

Copies of scripts are free of charge.

All Access to Scripts requests must be completed and returned to the Exams Officer **by Monday 21st September 2026.**

What is a Clerical Re-check?

A re-check of all clerical procedures leading to the issue of a result. For example, checking that all parts of the script have been marked, and that the totalling and recording of marks is correct.

A clerical re-check can only be requested by the school and are only forwarded upon staff recommendation. In this case, the fees will be paid for by the school.

If a clerical check is not recommended by the school but you still wish to request it, but this will need to be paid for by the student / parent or carer.

A Clerical Re-check consent form must be signed and dated by the candidate. You can find the form on our website under Students / Examination Information.

The deadline for requesting a Clerical Check is Monday 21st September 2026

What is a Review of Marking?

A review of marking is to ensure the agreed mark scheme has been applied correctly and to carry out clerical checks. It is NOT a re-marking of the script. This service is only available to externally assessed components, for example, external Examination Papers, not coursework.

The school will only initiate and pay for a review of marking if the student achieved a grade lower than their predicted grade *and* is only 1 or 2 marks away from the grade above the grade they were awarded. (For English Language, English Literature and Mathematics only).

Students can request a review of marking for any other subject however this will need to be paid for by the student / parent before it can be processed with the exam board.

A Review of Marking consent form must be signed and dated by the candidate. You can find the form on our website under Students / Examination Information.

The deadline for requesting a Review of Marking is Monday 21st September 2026.

It is important to remember that a clerical re-check and a review of marking can result in your grade going up, down or remaining the same.

Certificates

Exam board certificates are usually received by the school in mid-November. Once we have received all certificates we will be in contact with students and / or parents / carers regarding collection. Please look out for emails from mid-November (as well as your junk mail boxes).
