

Dear Parents/Carers

The week before October half term is always incredibly busy, as many of our students complete half term assessments and our Year 11 students prepare for their first round of Pre-Public Exams and start to consider their future options. On Thursday evening our Year 11 students attended our Post 16 Options evening. Students had the opportunity to speak to subject teachers and current Sixth Form students to learn more about the qualifications available to them after Year 11 and life in the Sixth Form. The deadline for applications is Monday 16 December.

On Monday evening we welcomed parents and carers to the One Chance substance misuse presentation to raise awareness of the risks posed by substance abuse. The presentations to both parents and students over the last two weeks have been frank and covered the different risks posed in our community, how to recognise potential risks, and how to ensure help reaches those who need it. We are very proud of how our students conducted themselves during the presentations.

At Barnwell, we are fiercely proud of the achievements of our students. On Tuesday, 11 of our sixth form students joined Mr Roberts at a Celebration Breakfast where they were presented with certificates that they have achieved over the course of this half term through the First4Safety and BeReady organisations. Congratulations to all students involved for their dedication and hard work!

I hope you have a lovely half term.

Sixth Form Celebration Breakfast

At Barnwell, we are fiercely proud of the achievements of all of our students and we work incredibly hard to ensure that, as a community, we provide the very best opportunities for our students to leave us with the skills to be highly successful in life, whether progressing to university, an apprenticeship or into full time employment.

This term, we have been working collaboratively with two external agencies to develop employability skills for our sixth form students.

Our Pre-Apprenticeship Programme students all successfully completed their IOSH Working Safely qualification through the organisation 'First4Safety' and, in addition, our Year 13 students have been working with the organisation 'BeReady' during their mentoring sessions to develop their 'soft skills' which include communication, confidence and leadership.

On Tuesday 22nd October, 11 of our sixth form students joined Mr Roberts, Head of School, at a Celebration Breakfast where they were presented with certificates that they have achieved over the course of this half term.

Fundraising at Barnwell School

Our school community actively supports the school by raising money to benefit the school environment and enhancing every student's education.

We hope to raise £25,000 through our current fundraising campaign to generate funds to replace our school minibus. To help with this campaign, we intend to run a rolling calendar of fundraising events to be enjoyed by parents, staff and students.

As a school, we understand that with increasingly busy lifestyles it is not always easy to commit to events and activities, so we have also set up a donation scheme on Schoolcomms for our current fundraising campaign.

You can donate by going to the School Bus Donation page by using the [Schoolgateway Link Click Here](#)

Details for setting up a schoolgateway account can be found on the Barnwell website <https://www.barnwellschool.co.uk/parents-info/communications/>

If you are interested in getting more involved with the Schools activities, we are always on the look-out for new and enthusiastic people to join our Parent Partnership.

If you are interested in becoming involved or would like to suggest new fundraising ideas please contact us by e-mail: communication@barnwell.herts.sch.uk

Thank you, in advance, for your support.
